

Statement of Intent

History

We believe that through history, our children will:

- Become curious and creative thinkers who develop a complex knowledge of local and national history, and the history of the wider world*
- Develop confidence to think critically, ask questions and be able to explain and analyse historical evidence*
- Be aware of significant events and individuals in global, British and local history and recognise how things have changed over time*
- Appreciate the complexity of people's lives, the diversity of societies and the relationship between different groups*
- Build an understanding of chronology in each year group and make connections over periods of time*
- Develop an understanding of how historians study the past and construct accounts and the skills to carry out their own historical enquiries*
