

Statement of Intent

Modern Foreign Languages

We believe that through modern foreign languages, our children will:

- Foster a love for languages and a deep appreciation of the Spanish-speaking world
- Develop foundational skills in listening, speaking, reading and writing in Spanish to communicate confidently and creatively
- Explore and appreciate the Spanish culture, traditions and customs, allowing them to develop a broad understanding of the diverse Spanish speaking community
- Develop linguistic skills and cultural awareness that will prepare them for further language learning and global citizenship
