THE PERFECT EASTER TREAT

This April, step inside a magical toyshop where toys spring to life as the clock strikes midnight.

But their world is under threat. When tech entrepreneur, Peyton Pixel, plans to tear down the toyshop and replace it with an "AI Experience Center", the toys must prove that REAL children still want REAL toys.

With Belle Ballerina's feisty attitude, Rebel Racer's high-octane energy and Grumble the Dinosaur's cake-fuelled courage, the unlikely team set off on an epic adventure to show that technology can't replace the magic of true friendship. But can they outsmart Peyton and save their home before daybreak?

Packed with catchy songs, dazzling dances and heart-warming storytelling, *Midnight in the Toyshop* is a delightful musical the whole family will adore.

"Top rate acting, humorous and fast paced. Costumes and props were amazing, lots of song and dance."
