

Creating our own destiny!

Year 2 Scarlet and Ruby Class

Summer One Term 2026

Key Areas of Learning

As **historians**, we will be looking at what a monarchy is, how the monarchy was created in England and how the monarchy has changed since it was created. We will be looking at different types of castles as well as creating our own coronation ceremony!

As **scientists**, we will be looking closely at plants. We will be researching how seeds are dispersed around in nature and growing our own plants in the classroom using different methods we will be learning about.

English

As readers, we will be exploring the exciting story "The Magic Finger" written by Roald Dahl. We will be looking at how Dahl uses language and different vocabulary to create fun and exciting descriptions.

As writers, we will be describing different characters and scenarios in the story, writing instructions, creating a wanted poster and writing our own adventure story among other exciting writing opportunities.

Maths

As mathematicians, we will be exploring measure through mass using grams and kilograms, capacity using millilitres and litres and temperature.

We will also be looking at recognising and finding different fractions, such as $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{1}{3}$. We will be able to recognise which fractions are equivalent as well.

Computing

In Computing, we will be looking at coding and how to programme our own games. We will also be looking at how to debug a code if it does not run correctly.

PSHE

We are learning about what can help us to grow and to stay healthy.

PE

In Physical Education, we will be working on our athletics, which includes sprinting, hurdles and relay races. We are also learning about net and wall games such as badminton, volleyball and tennis.

Art and DT

As creators, we will be focusing on sculptures and 3D art pieces using clay to create different art pieces.

RE

We are learning about how we are the same as others, how we are different from others and if it matters to be the same or different. We will be focusing on Islam and Sanatama Dharma.

Music

As musicians, we will be looking at the structure of music and how we can recognise and write different beats down.

Experiences

Whole School Events and Themes

Summer One
